I will be sending the Chair and Ranking Member a letter today from the company that Solyndra asks be placed in the record of tomorrow's proceedings. It will provide current data on Solyndra's positive economic and job situation. The Committee's release continues to perpetuate an incorrect picture of Solyndra's condition, despite consistent staff representations that this is not the Majority's intent. We believe the updated information is critical to balance what has been said. I also respectfully ask that the letter be shared with other Majority offices.

Once you see the upbeat letter, please let me know if the Chair is willing to place the letter in the record, or I will request the Minority to do so. Please call me if you have any questions, or in my absence, my partner [REDACTED].
